Welcome Exhibitor's -

If you are coming back, or whether this is your first time we welcome you and hope you are looking forward to this 2024 Fair while exhibiting your talents, skills, or just plain old curiosities at this upcoming Fair. The volunteers and myself certainly are! Thank you, past volunteers, for your selfless time and energy. Thank you Department Leads, the many volunteers from RSVP, the past Ambassadors, and to those 4H parents & kids who work the evening hours so the public can browse C Building where both our displays are housed during Fair. This community and myself is forever in your debt. All Volunteers are welcome. If you cannot volunteer, please consider a donation to the Fairgrounds Office for ribbons for the next year. See Kyle Carstens, Fairgrounds Manager.

Volunteer Processing g Training & Orientation is June 15, 2024 at 10:00 AM. Sorry only dedicated individuals may apply up to June 15, 2024. All volunteers are responsible for their own shifts. All volunteer's emails or contact numbers will be available on June 15, 2024, for shift changes. It is MANDATORY to attend the Volunteer Processing Training & Orientation Meeting. Please coordinate all shift changes with the Open Class Superintendent via email or text message.

Check out our Open Class King/Queen of the Kitchen contest right here - 3 Years Running!

A FUN CONTEST IN OPEN CLASS: KING/QUEEN OF THE KITCHEN CONTEST: Winner of the King/Queen Contest Special Ribbon Award will be determined by the exhibitor who has the most points from ribbons awarded from total exhibits in the departments below. Exhibitors may have the maximum amount of entries according to the rules in each of the departments below. In case of a tie in points, the exhibitor with the most Fair Themes, Department Themes, Best of Show, Judges Choice or People's Choice Ribbons will be the King/Queen Kitchen Specialty Ribbon! The following exhibits in these Departments entered into contest for the kitchen and/or around the home: Baked Goods, Pantry & Food Preservation, Horticulture (Garden Crops), Floriculture, Beer & wine, Home Arts and Quilting.

Point System is as follows: **Fair Theme Award** - 7 points **Best of Show** - 5 points, **Judges Choice** - 4 points, **People's Choice** – 3 points, **Blue Ribbons**: 2 points, **Red Ribbons**: 1 point, **White & Green Ribbons**: 0 points/Not Eligible for Contest

Rules, Regulations and General Information for Open Class Exhibits

Please read all rules and regulations carefully, since important changes have been made.
All Exhibit information and entry forms are available online at www.mesacountyfair.com.
Open Class Exhibit Winners and Contest Winners will be posted on our website

The following Rules, Regulations and General Information apply to all Entries & Exhibitors

1. Mesa County Fair Exhibits are open to all Mesa County residents and only to Mesa County residents.
2. This Guidebook is published each year and lists all the various departments, divisions and classes that you can enter. After you select the appropriate departments and classes you wish to enter, fill out the Entry Form. An Entry Form is found in the back of this Guidebook, at the Fairgrounds Office or downloaded online at www.mesacountyfair.com.
3. All articles must be exhibitors own work and not previously shown at the Mesa County Fair.
4. Fill out your entry form completely. Make sure both the division number and class numbers are clearly listed on the form. **Do Not** enter Exhibit Tag #, it will be issued upon entry delivery or at Pre-registration (**after Friday June 28, 2024.**) Enter the class you feel best suits your entry. The judge or Open Class Superintendent may move an exhibit if they deem it is in the wrong class.
5. Exhibitors will be divided into certain sections for judging according to age, skill level or a professional who derives at least 25% of annual income using the exhibit of choice as follows:
 - (E) Elementary – Child 8 years old or younger
 - (Y) Youth – 9-13 years old.
 - (IY) Intermediate Youth 14-18 years old
 - (A) Adults 19 years old and older – Non Professional
 - (G) More than one exhibitor working on the same item. May be adult and child.
 - (C) Any Handicap that affect performance skills in that class.
 - (P) Adults who have income using exhibits entered. Must have at least 25% of yearly income with previous year using those exhibits entered. Exhibitor may file a business card at processing with the Open Class Superintendent.
 - (SS) Exhibitors 80 plus years old are designated at Silver Seniors.
 - (V) Veteran – Any Exhibitors who can show proof of valid DD Form 214 or VA Patient Card.

Fair Theme ribbons are awarded by members of the Fair Board during the week of the Mesa County Fair.

The Fair Theme for 2025 is **“American Made Heritage”**

6. Exhibits for Open Class will be judged against every other exhibit(s) and a standard or ideal within the same class or division, using the American Judging system. The American Judging System is a common method in judging. Each entry is considered against every other entry and judged against a standard or ideal. The result is a rank order where the entry considered by the judge(s) to be the best is first, followed by second and so on. 1st, 2nd, 3rd and participant place ribbons are then awarded for each class as each article in each class deserves such merit. Then each Class 1st place winners will be judged against all other Classes in that Division for Division 1st, 2nd, 3rd and participant place ribbons. Upon determination of Division outcome all 1st place Division winners will be judged against all Divisions in Department main categories for awarding of Grand Champion and Reserve Champion (example Grand Champion Artwork). See departments individual rules as those rules are part of the judges scoring. Judges may use their own scorecard to award all ribbons. Some judges have provided their own score cards & are placed in the back of each department. Judge's Choice and Best of Show ribbons are awarded at the discretion of each judge within each department. All decisions from the judges are final. People Choice ribbons are awarded and determined by the highest number of votes placed by the fairgoers for that item during the week of the Mesa County Fair.

7. All judging is closed to the public and there is **absolutely no talking to the judges** from **ANYONE** while a judge is scoring ribbons. Exception is the judge's volunteer scribe to confirm comments on back of exhibitor tags, or the Open Class Superintendent for answering questions or moving classes for the judge, **at low voices**.

8. Greatest care will be taken in handling the exhibits, but no responsibility for loss or damage of any kind can be assumed by the Open Class Superintendent, the Open Class Department Leads to the Superintendent, Mesa County Fairgrounds or the Mesa County Executive Fair Board. Exhibitors must carry their own insurance on sensitive or highly valued entries.
9. The Mesa County Executive Fair Board and or the Open Class Superintendent reserves the right to reject any exhibit entered, registration or notice given to the Open Class Superintendent, or if department capacity has been reached on Entry Received Day.
10. When concerning Display Only exhibits, only space on the Exhibit Hall will dictate those exhibits. See Entry Receiving Dates for Display only Exhibits. (*) **All Display Only exhibits MUST be display ready** with a display only sign, explanation of the display, and hangers (for clothes), or the Display Only Exhibit(s) will be disqualified.
11. Grievances and protest – a grievance committee consisting of a member of the Mesa County Executive Fair Board, the superintendent or leader involved, and one disinterested party will make recommendations on all questions or rule, grievances or protests. Protests involving alleged major rule violations must be in writing and accompanied by a deposit of \$25.00 cash or certified check which will be forfeited if the protest is not sustained. Said protest must state plainly the cause of the complaint and must be delivered to a member of the Mesa County Executive Fair Board by the Open Class Superintendent within eight hours after the cause of the protest. The Grievance Committee’s decision is final.
12. Absolutely no one is allowed behind the processing table on processing days except the volunteers. This helps keep the Exhibitors exhibits safe and secure.
13. By signing the Open Class Exhibit Form exhibitors agree to all rules and regulations presented in the 2024 Open Class Guidebook pertaining to their participation. Please see certification at the bottom of registration form. All exhibits must remain throughout the current Fair year for the Five Best Days of Summer. Exhibitors may pick up exhibits on release day.

DEPARTMENT: PANTRY STORE & FOOD PRESERVATION

Entry Forms: Pre-registration is always encouraged. **Pre-registration ends Friday, June 28, 2024 at 5:00 PM at the Fairgrounds Office.**

Entry Forms found at www.mesacountyfair.com Fair Theme for 2024 is "**Lovin the Country Life**".

Exhibit must have been done between August 2023 and July 2024.

Exhibits Received Day: See Page 5.

Exhibits Released Day: See Page 5.

Note: Please read the following rules and all Food Safety Rules in its entirety before completing projects.

Contest Note: This Department is a candidate for the KING/QUEEN OF THE KITCHEN CONTEST. See Page 2

PANTRY – General Judging Rules for Food Preservation

Rule: Safety is of the utmost importance. Contact CSU/Ann Duncan 970-244-1839 with questions regarding canning classes in Grand Junction, high altitude checking, or CSU Extension requirements using recipes from resources which use USDA recommendations for processing. Water bath gauges as well. Website information available at <http://tra.extension.colostate.edu> or email ann.duncan@colostate.edu.

Any entry not in compliance with judging guidelines or exhibiting spoilage will be disqualified. **Quality criteria based on visual judging. Judges may refrain from tasting preserved food.**

- Each exhibitor is limited to five (5) entries per class.
- Exhibitor's name is not to shown on exhibit piece.
- Entry submissions must have been canned by the person in whose name they have been entered except in Group Division
- On Exhibits Received Day jars should be clean from dust/dirt, stickiness and in very good condition utilizing a two-piece canning lid with band and in very good condition with a new flat lid of same standard brand name. ONLY Ball and Kerr jars and bands/seals permitted. No decorative or off brands acceptable. No padded lids.
- **Products canned using reusable lids will not be accepted.**
- All canned food must be preserved using recipes from resources which use USDA recommendations for processing from canning information from 1994 or later. Acceptable recourses include, but are not limited to:
 - The USDA
 - CMU Extension Publications
 - Pectin Package Inserts
- **Recipes and nutritional commentary are required on all entries.** The recipe must be affixed to the container and must include approved source of recipe (resources name, year published and page number or date accessed online and website link), ingredients, preparation instructions, method, time and temperature on a 3 x 5 recipe card. All artificial coloring used in baked products must be specified in the recipe.
- Processes that are unacceptable and unsafe include: open kettle processing, inversion sealing, steam canning, paraffin sealed jellies & jams; as well as pickles, jams & jellies not processed in boiling water bath canner or water bath canning of low acid products (vegetables require pressure cooking).
- No fresh/refrigerated items accepted, all items must be shelf safe.

FILLED JAR RULES

- Headspace must correspond to instructions on the reference guides listed. The top of the finished recipe or liquid covering produce must provide adequate headspace as stated in approved guidelines.
- Air Bubbles, must be kept to a minimum. (Gas bubbles denote spoilage and can be identified by movement of bubbles to the surface of the product while the jar is stationary. Products indicating presence of gas bubbles will be disqualified)
- Bands should remain on the jars while in transit to the fair event. Remove bands carefully to determine if the headspace is correct. Replace bands for product display. The new canning science suggests storing canning jars without rings.
- ONLY Ball and Kerr jars and bands/seals permitted. No decorative or off brands acceptable. No padded lids. Canned products with special cuts or design lids will not be accepted (example lids be Bernardin* or similar brand).

Heat Process Rules:

- Methods used to heat process food must comply with current preserving guidelines as stated in the approved reference guides. The boiling water process for high-acid food and pressure process for low-acid foods are the only recommended

methods to preserve food in jars for shelf storage.

- o Time for correctly heat processing food varies depending on each specific recipe or food type. Processing time must be in agreement with approved reference guides.
- o Most of the finished product should be as close as possible to its natural characteristics or that for cooked product.
- o Texture is affected by heat processing; however, the finished product should not easily break down or appear over-cooked.

RULES CONCERNING PRODUCT APPEARANCE

- o Produce should be free from blemishes, disease, and spoilage. Recipes prepared with stems, pits and peels intact are acceptable if the recipe is in keeping with approved guidelines.
- o Ingredients should retain their shape and size based on the type and preparation method. Ingredients should be cut in uniform pieces and packed evenly in the jar, allowing adequate room for liquid to circulate throughout the jar during Processing.
- o Liquid must be clear & free from cloudiness and small particles unless inherent characteristics of ingredients affect product clarity.

Fruit Preserves

Characteristic				
Pack Processed in boiling water canner with correct altitude adjustment made; no open kettle canning. Jar filled to appropriate headspace (¼ inch). Liquid covers all solids; no floating pieces. Good proportion of solids and liquids.				
Quality of Fruit Pieces uniform in size and shape. Fresh, natural color to fruit; uniformly translucent and characteristic of cooked product. Pieces retain shape; firm yet tender; free of mushiness; clean cut edges to cut pieces. Fruit free from discoloration, blemishes, bruises, brown or black spots, insect damage.				
Quality of Syrup Syrup or jellied juice is clear, and bright in color. Syrup in most preserves appears thick to "heavy" like honey and surrounds all fruit. Free from any sediment, unintended seeds, peels, or other particles such as fibers, core and strings. Free from foam or large amounts of trapped air; few bubbles.				
Container Vacuum-sealed. Clean, clear glass standard canning jar. New lid and band free of rust; screwband clean, unbent and easily removed. Label clean, neatly placed and contains name of product, date processed, processing method and time.				
Flavor Natural flavor of the fruit; not too sweet or strong from overcooking.
